Guardians of Our Rights: How International Treaties Protect Individuals

Open-Ended Response Questions

1. Imagine a country that does not ratify any international human rights treaties. How might this impact the rights of its citizens? Provide examples.
2. Discuss one real-world example of a human rights violation that gained international attention through the use of human rights treaties or conventions. Explain what actions were taken to address the violation.
3. Do you think international human rights treaties are effective in protecting individual rights worldwide? Why or why not? Provide reasons to support your opinion.
4. In your own words, explain the concept of "accountability" in the context of human rights treaties and why it is crucial for the protection of individual rights.
