

Name _____

The Gymnasts' Magical Adventure

Open-Ended Response Questions

1. What do you think the magical world represented to Lily and Max? How did it make their gymnastics practice more enjoyable and exciting?
2. If you could enter a magical world related to one of your hobbies or interests, what would it be, and what adventures would you have there?
3. How did the talking gymnastics equipment and gymnastics-loving animals contribute to the friends' experience in the magical world? What lessons or fun moments might they have shared with them?
4. If you were Lily or Max, what lessons or skills do you think you learned from the gymnastics challenges in the magical world that you could apply to your real gymnastics practice?
