

Name _____

The Gymnasts' Magical Adventure

Short Answer Key

1. Lily and Max discovered the hidden door in their gym when Lily felt a strange vibration under her feet while she was on the balance beam.
2. In the magical world, Lily and Max found a world filled with gymnastics challenges, where the ground was bouncy like a trampoline, and colorful rings and hoops floated in the air.
3. As they completed the gymnastics challenges in the magical world, the friends earned sparkling crystals.
4. Lily and Max encountered talking gymnastics equipment like jumping ropes and hula hoops in the magical world.
5. Lily and Max used the last crystal they earned to open a portal, and that's how they returned to their own gym from the magical world.
