

Name _____

Stitching Magic: The Basics of Hand-Sewing for Beginners

Short Answer

1. Explain the purpose of the running stitch and provide one example of when it might be used in a sewing project.
2. Describe the characteristics of the backstitch and explain why it is often preferred for sewing seams on garments.
3. How is the whipstitch different from the other hand-sewing stitches mentioned, and what is a common application for it?
4. What is the main function of the blanket stitch, and in what type of sewing projects is it commonly used?
5. When would you choose to use a slip stitch in a sewing project, and what is its advantage over other stitches?
