

Name _____

Harmonyville

Short Answer Key

1. Emma's poster design for the Harmonyville Music Festival depicted a whimsical world where music notes floated like butterflies, and the festival's name, "Harmonyville Music Festival," was written in elegant, swirling letters.
2. Emma's artwork inspired festival-goers, especially young children, by encouraging them to pursue their dreams and passions. It ignited their creativity and left a lasting impression on their hearts.
3. The festival organizers chose Emma as the official illustrator because they were impressed with her talent and believed she could capture the festival's spirit through her art.
4. Emma's stage design seamlessly blended with Harmonyville Park's natural surroundings by featuring illuminated flowers that changed colors with the music and a towering tree with sparkling lights, creating a mystical forest.
5. Festival merchandise that featured Emma's artwork included T-shirts, hats, mugs, and tote bags.
