## The Enchanting History and Exciting World of Hatchimals

### Open-Ended Response Questions

1. Imagine you have just received a Hatchimal as a gift. Write a short story about your adventures with your new Hatchimal, from the moment you start hatching it to the exciting adventures you have together.
2. If you could create your own Hatchimal species, what would it look like, and what unique features or personalities would it have? Explain your creative ideas.
3. How do you think Hatchimals compare to other popular toys, and why do you prefer Hatchimals over or alongside other toys?
4. In what ways do you think Hatchimals encourage creativity and imaginative play in children? Provide specific examples or scenarios.
