## The Haunted Summer Camp

### Short Answer Questions Answers

1. Mr. Creeps-a-lot was described as having wild hair, an eyepatch, and a pet bat named Fang.
2. When they discovered the source of the eerie whispers, the campers realized it was their fellow campers playing pranks and reacted with laughter.
3. The spooky scavenger hunt ended with the campers finding a treasure chest filled with candy, which delighted them.
4. By the end of their stay, the campers learned that the haunting tales of Camp Spookywood were clever tricks and playful fun, rather than real supernatural occurrences.
5. Answers may vary, but students might discuss how the campers enjoyed the lighter side of the supernatural and embraced the playful atmosphere of the camp.
