

Name _____

The Haunted Summer Camp

Open Ended Questions

1. Explore the theme of perception versus reality in the story of Camp Spookywood. How did the campers' initial beliefs about the camp change over time?
2. If you were one of the campers at Camp Spookywood, what would have been your reaction to the spooky occurrences? How would you have handled them differently, if at all?
3. Discuss the role of humor and imagination in the camp's approach to the haunted theme. How did these elements contribute to the campers' enjoyment of their summer experience?
4. What do you think the campers will remember most about their time at Camp Spookywood, and how might this experience impact their future adventures and perceptions of the supernatural?
