

Name _____

The Quantum Raiders: Heist Across Dimensions

Open-Ended Response Questions

1. How might the ability to steal objects from alternate dimensions impact the balance of power and morality in the world, as depicted in the story?
2. Discuss the ethical considerations that the Quantum Raiders must confront when deciding whether to alter the fate of parallel Earths by stealing artifacts. Are their actions justified, or do they constitute theft on a cosmic scale?
3. In your opinion, should the Quantum Raiders return the stolen artifacts to their original dimensions, or should they keep them for their own benefit? What factors should they consider in making this decision?
4. What consequences do you think the Quantum Raiders might face, both morally and practically, as a result of their high-stakes heist involving alternate dimensions?
