

Name _____

Mythological Tale: The Adventures of Hercules

Open-Ended Response Questions

1. Discuss the character development of Hercules throughout his journey, from the moment he committed terrible deeds under Hera's spell to his eventual acceptance among the gods on Olympus.
2. Reflect on the significance of the Twelve Labors as a symbol of redemption and personal growth. How did each labor challenge Hercules and contribute to his transformation as a hero?
3. Explore the theme of forgiveness in the story. How did Hercules seek forgiveness for his actions, and how did others react to his efforts to make amends?
4. Consider the role of friendship and allies in Hercules's success. How did his interactions with others, such as his friends and the people he encountered on his journey, contribute to his achievements?
