

Name _____

Hidden Truths: A Family's Tragedy

Short Answer Key

1. The letters revealed a love affair between Emily and another man named David, filled with passionate declarations of love from years before Lucy and Jack were born.
2. Lucy and Jack grew distant from their mother and felt anger and confusion about their parents' divorce.
3. Emily kept the letters as a painful reminder of her past mistakes and believed they were buried in the attic, forgotten forever.
4. The family's home became filled with tension and sadness after the revelation of the secret, and John filed for divorce, leaving Emily and the children behind.
5. John's decision to file for divorce deeply affected the family, creating a household filled with tension and sadness, and causing Lucy and Jack to grow distant from their mother.
