## Hidden Exploitation

### Open-Ended Response Answer Key

1. The animals didn't realize they were being exploited because they trusted the pigs and didn't understand how they were being manipulated.
2. Boxer's story shows that blind trust in leaders can lead to exploitation and harm, especially when those leaders are selfish.
3. Revolutions can succeed if leaders stay fair and if people work together to hold them accountable. However, power can often lead to selfishness.
4. People can prevent exploitation by staying educated, questioning unfair actions, and working together to challenge corrupt leaders.
