Name _____

The Magical History Book

Short Answer

1. Describe the first historical event Alex rewrote using the magical book and what they experienced during that event.

2. How did Alex's understanding of history change as they continued to rewrite it? What did they realize about the power they held?

3. Discuss a specific consequence of Alex's actions when rewriting history. How did a change they made lead to unexpected outcomes?

4. Describe the moral dilemma Alex faced when they met Amelia. What decision did they make, and why?

5. What final choice did Alex make regarding the magical book, and what message did they leave within it?
