

Name _____

The Lion's Home: Where Lions Live

Open-Ended Response Answer Key

1. Lions might be called "King of the Jungle" because they are powerful and respected animals.
2. Open areas help lions hunt prey and stay aware of their surroundings.
3. People can protect lion habitats by supporting conservation programs and stopping deforestation.
4. Losing lions could disrupt the balance of prey and predator, leading to overpopulation of prey animals.
