

Name _____

Home Sweet Home

Open-Ended Response Questions

1. Imagine you are a real estate agent helping a family find their dream home. Based on their needs and preferences, which type of residential building (single-family home, apartment, condominium, etc.) would you recommend, and why?
2. Discuss the advantages and disadvantages of cooperative housing (co-op) compared to other forms of residential ownership, such as owning a single-family home or a condominium.
3. Describe the importance of obtaining necessary permits and passing inspections during the construction of a residential building. What could go wrong if these steps are not followed?
4. Explain the significance of the foundation in residential building construction, especially in regions prone to natural disasters such as earthquakes or floods.
