

Name _____

Homework: Balancing the Scales

Open-Ended Response Answer Key

1. Possible strategies might include setting reasonable homework expectations, providing flexibility in deadlines, and offering support for students who may struggle with certain assignments.
2. Answers may vary but should provide a specific example and explain how it relates to the pros or cons of homework mentioned in the essay.
3. Teachers and educators can play a critical role in designing homework assignments that are meaningful, relevant, and appropriately challenging to engage students in the learning process.
4. Technology and online resources can provide opportunities for more interactive and personalized homework assignments but can also pose challenges related to access and screen time.
