The Great Homework Rebellion

Open-Ended Response Answer Key

1. The absurdity of Absurdistan's rules and logic likely contributed to the success of "The Great Homework Rebellion" because it created a fertile ground for rebellion against unreasonable practices, making the rebellion more relatable and appealing to the town's residents.
2. Lily and Max played the roles of leaders who challenged the status quo and negotiated for change. Lily was a tough negotiator, while Max had a more humorous approach, and together, they found a balanced solution.
3. Answers may vary, but students might discuss whether writing love letters to socks and performing sock puppet plays are reasonable alternatives to homework and tests or if there could have been a better solution.
4. Answers may vary, but students might consider rebelling against other absurd rules or practices in Absurdistan, such as unconventional fashion rules or peculiar town traditions, and propose creative ways to challenge them.
