

Horror Writing Prompt Pack

1. **The Haunted Library:** After discovering a hidden section of their school library, a group of friends finds books that seem to come to life at night. What secrets do these books hold, and how will the friends stop the strange occurrences?
2. **The Whispering Locker:** A student starts hearing whispers from their locker, revealing secrets about their classmates. When the whispers start predicting dangerous events, how will the student convince others and prevent the disasters?
3. **The Abandoned Amusement Park:** While exploring an old, abandoned amusement park, a group of friends stumbles upon a ride that mysteriously starts operating on its own. What happens when they decide to take a ride?
4. **The Creepy Dollhouse:** A student finds an old dollhouse in their attic that eerily resembles their own house. When figures appear in the dollhouse that mimic real-life events, how will they prevent the sinister outcomes?
5. **The Mysterious Substitute:** A new substitute teacher seems to have an unusual control over the students, making them act strangely. What dark secret is the substitute hiding, and how can the students break free from the spell?
6. **The Nighttime Shadows:** After moving to a new neighborhood, a student notices shadowy figures that only appear at night. When these figures start invading their dreams, how will they uncover the truth behind these apparitions?
7. **The Cursed Field Trip:** During a school field trip to a historical site, students start disappearing one by one. What ancient curse has been awakened, and how can the remaining students survive the night?
8. **The Phantom Classmate:** A student discovers that one of their classmates is actually a ghost. As they delve into the mystery of their ghostly peer, what unfinished business must they help resolve?
9. **The Disappearing Bus:** A school bus vanishes along with its passengers on a foggy morning. When the bus reappears a week later, the students onboard have no memory of what happened. How will they piece together the missing week?
10. **The Enchanted Forest:** On a camping trip, a group of friends ventures into a forbidden part of the forest and encounters creatures and phenomena from their darkest nightmares. How will they find their way back before it's too late?
