

## Horror Writing Prompt Pack 2

1. **The Time-Traveling Ghosts:** A group of friends finds an old pocket watch that transports them to different eerie moments in history. Each time they use it, they encounter restless spirits. How will they navigate these ghostly encounters and return to their own time?
2. **The Sinister Carnival:** A mysterious carnival arrives in town overnight, filled with strange attractions and ominous performers. When visitors start disappearing, a brave group of friends must uncover the dark secret behind the carnival's true purpose.
3. **The Echoing Screams:** While exploring an abandoned asylum, a student records strange sounds and ghostly voices on their phone. As the screams grow louder and more terrifying, they must uncover the asylum's horrifying past before the spirits claim another victim.
4. **The Cursed Smartphone:** A new app promises to fulfill any wish, but every wish comes with a terrifying consequence. After making a few innocent requests, a student must confront the app's malevolent creator to undo the chaos unleashed on their life.
5. **The Night of the Living Statues:** Statues around the town start coming to life at night, chasing and terrorizing the residents. A group of friends discovers an ancient spell that can stop the statues, but they must act before dawn breaks.
6. **The Haunted Summer Camp:** During a summer camp, campers begin to vanish into the woods, lured by ghostly figures. The remaining campers must brave the haunted forest to rescue their friends and end the ghostly abductions once and for all.
7. **The Phantom Library:** A hidden library appears in the basement of an old school, filled with books about the students' darkest fears. When these fears start manifesting in real life, they must find a way to lock the library away forever.
8. **The Evil Within the Mirror:** A student discovers an antique mirror in their attic that reveals horrifying alternate realities. As these realities start bleeding into their own, they must confront the mirror's dark history to save themselves and their family.
9. **The Monster Under the Bed:** Every night, a different child from the neighborhood goes missing, seemingly taken by the monster under their bed. A group of young friends bands together to confront the creature and save their friends before it's too late.
10. **The Forgotten Village:** While on a hiking trip, a group of friends stumbles upon a village that doesn't appear on any map. The villagers are frozen in time, haunted by a curse that only the newcomers can break—if they survive the night.
