## The Housing Hustle: Challenges of Making Cities Affordable

### Open-Ended Response Questions

1. Imagine you are a city planner. What strategies would you implement to address the challenges of providing affordable housing in a rapidly growing city?
2. Can you think of any creative solutions that could help alleviate the problem of rising land and construction material costs for affordable housing projects?
3. How might improving public transportation options in a city help address the issue of affordable housing on the outskirts of the city?
4. Discuss the potential benefits and drawbacks of gentrification for a neighborhood. How can cities mitigate the negative effects while preserving positive changes?
