

Name _____

Understanding Bullying: What It Is and How to Stop It

Short Answer Key

1. The three common types of bullying mentioned in the passage are physical bullying, verbal bullying, and relational bullying.
2. According to the passage, some bullies engage in bullying behavior to exert power and control over others.
3. One way schools can prevent bullying, as stated in the passage, is by fostering a positive and inclusive environment.
4. Bystanders can make a difference in preventing bullying by intervening when they witness it safely and standing up for the victim.
5. Raising awareness about bullying is significant because it educates people about what bullying is, its consequences, and how to report it, creating a safer environment.
