Express Yourself: How Clothing Shapes Our Identity

Open-Ended Response Questions

1. Imagine a scenario where someone chooses to wear traditional clothing from their cultural background to a school event. How might this choice influence their sense of identity, and how might others perceive them?
2. Share a personal experience where you believe your clothing choice significantly influenced your mood and behavior. Describe the clothing and the impact it had on you.
3. Think about a fashion trend you've observed recently. Explain why you believe it has become popular and how it reflects the values or beliefs of those who embrace it.
4. Discuss the role of clothing in expressing social and political views. Provide examples of clothing items or symbols that have been used for this purpose and their significance.
