## The Dream Coaster: A Journey Beyond Imagination

### Open-Ended Response Questions

1. How do you think the experiences on the Dream Coaster helped strengthen the friendship of Sarah, Alex, Mia, and Jake? Provide specific examples from the story to support your answer.
2. The Dream Coaster blurs the lines between reality and imagination. Can you think of a time in your life when your imagination led you to an extraordinary experience, whether in a dream or a daydream? Describe that experience and how it made you feel.
3. In the story, the Dream Coaster takes the friends to various dream worlds. If you were to ride a Dream Coaster, what dream adventure would you hope for, and why? How would you expect it to impact you?
4. The friends discovered that their combined talents and teamwork were essential in solving challenges on the Dream Coaster's dream adventures. How do you think working together with friends can help overcome obstacles in real-life situations, and do you have any personal experiences that support this idea?
