The Driver Dilemma: How Will Autonomous Vehicles Impact Jobs?

Open-Ended Response Questions

1. Do you think the introduction of autonomous vehicles will result in a net loss or gain of jobs in the transportation industry? Explain your reasoning.

2. Imagine you are a taxi driver. How might your job change if autonomous taxis become the norm? What skills might you need to develop to remain employed in the industry?

3. Discuss the ethical considerations and safety concerns associated with autonomous vehicles replacing human drivers in various transportation sectors.

4. How can governments and businesses support workers affected by changes in the job market due to autonomous vehicles?
