

Name _____

Capturing Moments: Impressionism Art

Short Answer

1. Describe the primary focus of Impressionist artists and their choice of subjects.
2. Explain the significance of "en plein air" painting in Impressionism and how it influenced the style of these artists.
3. Discuss the role of light and color in Impressionist art and provide an example of a painting that exemplifies this characteristic.
4. Who coined the term "Impressionism," and what painting inspired the name?
5. How did Impressionism challenge the traditional art establishment, and what alternative avenues did artists explore to exhibit their works?
