

Name _____

Zooming into Electric Vehicle Incentives

Open-Ended Response Questions

1. How do government incentives for electric vehicle buyers align with environmental goals?
2. Explain why access to high-occupancy vehicle (HOV) lanes can be a valuable incentive for electric vehicle owners.
3. Suppose someone is considering buying an electric vehicle but is unsure about the incentives available in their area. What steps could they take to find this information?
4. In what ways can electric vehicles contribute to a cleaner environment beyond the incentives they offer?
