Name _____

How to Be More Inclusive and Accepting

Open-Ended Response Questions

1. Describe a situation where you showed empathy and understanding towards someone who had a different opinion or belief.

2. Imagine you are organizing an event to celebrate diversity in your school. What activities or programs would you include, and why?

3. Share an experience where you witnessed discrimination, and explain how you could have stood up against it.

4. Reflect on a time when you discovered a bias or prejudice you held. How did you work on changing that attitude?
