

Name _____

Infiltrating Cartels

Open-Ended Response Questions

1. Explore the theme of risk and sacrifice in "Infiltrating Cartels." How does Agent Johnson's willingness to risk his life and identity for the mission highlight the dangers of working undercover?
2. Discuss the ethical dilemmas faced by Agent Johnson during his infiltration of the cartel. How does he navigate these dilemmas, and what principles guide his actions?
3. Analyze the character development of Agent Johnson throughout the narrative. How do his experiences within the cartel shape his growth as a character, both personally and professionally?
4. Imagine an alternate ending where Agent Johnson's true identity is never revealed, and he continues to work undercover within the cartel. How might this alternate ending affect the story's message and the fate of the drug cartel?
