

Name _____

Internet Imagination

Short Answer Questions Answers

1. Alice's initial reaction was to rush to the park without hesitation after seeing the post about the magical portal, excited to explore the fantastical world.
2. In the land of Nonsensica, Alice encountered characters and elements from the internet, including grumpy cats in top hats, a dog that played the piano, and dancing babies.
3. Alice outwitted the internet trolls by challenging them to a dance battle, with the help of her newfound friends, including the dancing unicorns.
4. Alice learned the lesson that not everything she saw online was true, and sometimes, believing in the impossible could lead to unexpected adventures. This experience changed her perspective, making her more cautious about online information.
5. Answers may vary but should consider the importance of critical thinking and skepticism as essential skills to discern truth from fiction, especially in the age of easily accessible information on the internet.
