

Name _____

The Midnight Intruder

Short Answer Key

1. Alex noticed a shadowy figure moving across the yard, and his initial reaction was alarm and intrigue. He called 911 to report the suspicious intruder.
2. The police arrived, but the intruder had vanished without a trace. Mr. Johnson was shaken but unharmed.
3. Alex and Sarah were motivated to dig deeper into the mystery because they believed the intruder had a specific motive, and they wanted to uncover the truth behind a series of unsolved burglaries.
4. During their research, Alex and Sarah uncovered a pattern of break-ins connected to a missing scientist who had developed groundbreaking technology.
5. The missing scientist's invention was not specified in the story, but it was described as valuable and having the potential to change the world.
