Italy's Art and Literature: A Legacy of Creativity

Open-Ended Response Answer Key

1. Students should explain why Renaissance paintings are still appreciated, such as their beauty, detail, or storytelling.
2. Writing in Italian helped more people understand literature instead of just scholars who knew Latin.
3. Students can pick any story and explain why it would make a great opera.
4. Students should discuss how art and music allow people to share feelings, tell stories, or capture history.
