

Name _____

Flying High: My First Experiment Jet Ride

Open-Ended Response Answer Key

1. (Answers may vary) Example: If I could fly in an experiment jet, I would like to study clouds and see how they form.
2. (Answers may vary) Example: I felt nervous but excited on my first day of school because I didn't know anyone, but I was eager to make new friends.
3. (Answers may vary) Example: I think the narrator enjoyed taking notes because it made them feel like a real scientist and helped them learn new things.
4. (Answers may vary) Example: I imagine Captain Sky has a pilot's hat, a big smile, and kind eyes. He looks very experienced and friendly.
