

Name _____

Jet Ski Adventure

On a bright summer day, Sarah and Jake decided to have a thrilling adventure on a jet ski. They put on their life jackets, hopped onto the jet ski, and raced across the sparkling blue lake. The wind in their hair and the splashes of water made them giggle with excitement.

They discovered a hidden cove where colorful fish swam beneath the crystal-clear water. Sarah and Jake decided to take a break to watch the fish and even fed them some breadcrumbs. It felt like they were in an underwater wonderland.

As the sun began to set, they reluctantly returned to shore, knowing they had just had the best day ever on their jet ski adventure.
