## The Time-Traveler's Journal

### Short Answer

1. Describe how Alex came across the time traveler's journal and what they discovered inside it.
2. Besides descriptions of historical events, what unique information did the journal contain, and how did it impact Alex's life?
3. Where did Alex's first time-traveling adventure take them, and what did they experience there?
4. What moral dilemma did Alex face while time traveling, and how did it affect their journey?
5. What was the true purpose of the time traveler's journal, and what lessons did Alex learn from it?
