Time-Traveling Journal

Open-Ended Response Answer Key

1. Answers may vary, but students might choose a time period or event based on their historical interests or curiosity.
2. Students may speculate that the journal served as a guide or trigger for the time-traveling experience, as it contained details about Samuel's life and the pocket watch's significance.
3. Students might suggest that the experience would give the narrator a deeper appreciation for history and a stronger connection to their family's past.
4. Possible questions could include asking about Samuel's friends, hobbies, or the most memorable moment of his teenage years, with the aim of gaining insight into his life.
