

Name _____

Julia Roberts: A Hollywood Icon

Open-Ended Response Answer Key

1. (Answers may vary; e.g., "Julia Roberts is beloved for her genuine charisma, infectious smile, and ability to connect with audiences. Her versatility allows her to excel in various genres, from romantic comedies to intense dramas. She has influenced the film industry by setting a high standard for acting and using her fame to draw attention to important social issues.")
2. (Answers may vary; e.g., "Julia Roberts' philanthropic efforts align with her on-screen persona of a caring and compassionate individual. By supporting charitable causes, she extends her influence beyond the screen, making a tangible impact on the lives of those in need.")
3. (Answers may vary; e.g., "I would choose Julia Roberts to play a determined and resilient astronaut in a thrilling space exploration film. Her ability to convey the determination and courage of an astronaut, combined with her relatability, would make the character come to life. Roberts' portrayal would captivate audiences and add depth to the story.")
4. (Answers may vary; e.g., "Julia Roberts' dramatic acting style often involves deep emotional exploration and nuanced character development. In contrast, her comedic acting style showcases her impeccable timing and ability to deliver humor with finesse. Both styles highlight her exceptional talent, but her dramatic roles have earned her critical acclaim and awards.")
