

Name _____

International Criminal Court: Seeking Justice Worldwide

Open-Ended Response Questions

1. Discuss one real-world example of a case prosecuted by the International Criminal Court (ICC). Explain the nature of the crimes involved and the impact of the ICC's intervention.
2. In your opinion, why is it important to have an independent and impartial institution like the ICC to address serious international crimes? How does the ICC contribute to global efforts to prevent such crimes?
3. Imagine a world without the International Criminal Court (ICC). How might this impact the accountability of individuals responsible for serious international crimes? Discuss potential consequences.
4. Explain the concept of "justice on a global scale" and how the ICC contributes to achieving this goal.
