

Name _____

The Unique Look of a Kangaroo

Open-Ended Response Answer Key

1. Kangaroos hop because it helps them move quickly and cover long distances.
2. The pouch protects the joey from predators and harsh weather, ensuring it can safely grow.
3. Different colors of fur help kangaroos blend into their environment and avoid predators.
4. (Example) I would be curious about how high a kangaroo can jump and how they care for their joeys.
