

Name _____

Kangaroo Reproduction and Care

Open-Ended Response Answer Key

1. The pouch keeps the joey safe, warm, and close to its mother for protection.
2. Staying close to their mother helps young kangaroos avoid predators and get proper nutrition.
3. Kangaroo parenting shows the importance of care, protection, and nourishment for young animals.
4. (Example) I would design a soft shell that covers the baby animal, keeping it warm and hidden from predators.
