## Attack of the Killer Bouncy Houses

### Short Answer Questions Answers

1. The Mega Bouncy Castle Extravaganza was massive, colorful, and had turrets and slides that made it look like a castle from a fairy tale.
2. The townspeople defeated the rampaging bouncy houses by gathering deflated bouncy castles and forming a team of brave volunteers who used giant inflatable hammers to deflate the Mega Bouncy Castle Extravaganza.
3. The Giggleville Fun Fair was a night to remember because it was filled with laughter, adventure, and unexpected chaos.
4. Some consequences of the bouncy houses going out of control included knocking over food stalls, dunk tanks, and even the Ferris wheel, causing panic and chaos in the fairground.
5. The phrase suggests that the townspeople did not have a specific plan to stop the bouncy houses but hoped that they would eventually tire themselves out.
