

Name _____

The Kindness Stone

Short Answer Key

1. Lily became the guardian of the Kindness Stone after discovering it in the forest. She was chosen for this role because of her boundless kindness and compassion, which made her the ideal person to ensure that the stone's power was used for good.
2. The traveler initially wanted to possess the Kindness Stone for selfish reasons. However, he changed over time as he realized that the stone would only respond to genuine acts of kindness. His transformation was sparked by his willingness to perform kind deeds for the villagers.
3. The protective barrier created by the Kindness Stone served as a shield against those with unkind intentions. It was significant because it demonstrated the stone's responsiveness to the purity of one's actions. The barrier dissolved as the traveler underwent a change of heart and performed genuine acts of kindness.
4. The story of the Kindness Stone teaches us the enduring power of kindness and compassion. It emphasizes the importance of selflessness, the ability of kindness to multiply and spread positivity, and the potential for positive change in individuals when they embrace kindness. It underscores the idea that kindness is a force that can transform communities and individuals alike.
5. The Kindness Stone had a profound impact on the village by fostering a culture of kindness and selflessness. It taught the people that acts of kindness could lead to a harmonious and loving community. It demonstrated the importance of spreading kindness in our lives and communities to create a better world.
