

Name _____

The King of the Jungle

Open-Ended Response Answer Key

1. Lions are often called the "King of the Jungle" because they are powerful, have loud roars, and look majestic with their manes.
2. Lions' sharp teeth, claws, speed, and strong bodies help them hunt and stay safe.
3. If lions disappeared, the balance of prey and predator could be disrupted, affecting the ecosystem.
4. Lions teach teamwork and the importance of working together for safety and survival.
