Cooking Magic: Adventures in the Kitchen

Open-Ended Response Answer Key

1. Answers may vary. (e.g., My favorite thing to cook is chocolate chip cookies because I love the smell of freshly baked cookies, and they taste amazing!)
2. Answers may vary. (e.g., I would invent a "Rainbow Surprise" salad with colorful vegetables, fruit, and a secret dressing made of honey and yogurt.)
3. Cooking can bring families and friends together because they can work together in the kitchen, share meals, and create special memories while enjoying delicious food.
4. Answers may vary. (e.g., I would challenge my friends to make the most creative sandwich or the fanciest dessert. I think it would be a tie because we're all great cooks!)
