

Name _____

Laughing Flat

Short Answer

1. Why do Stanley's parents treat his flatness as something normal instead of panicking?
2. How does Stanley use humor to handle difficult moments?
3. What are two funny ways Stanley's flatness helps him do things normal kids can't?
4. How does humor help readers understand that being different can be both fun and challenging?
5. Why does the idea of mailing Stanley to a different place make readers laugh?
