

Name _____

Laughing Flat

Open-Ended Response Answer Key

1. Answers will vary but should explain how laughter can make problems feel smaller.
2. Responses should mention the playful tone, funny situations, and Stanley's creative solutions.
3. Students may describe fun ideas, like hiding in bookshelves, scaring people in a fun way, or sneaking into movie theaters.
4. Answers should explore the importance of laughter and positive thinking in solving problems.
