## The Endless Loop Laughs

### Short Answer Key

1. Alex ate ice cream for breakfast, stayed in pajamas all day, and pulled harmless pranks on neighbors.
2. Alex tried to build a time machine using a cardboard box, a bicycle, and some Christmas lights.
3. Alex met a stranger named Sarah, who was also stuck in a time loop.
4. They broke free from the time loop by embracing the absurdity of their situation and sharing a genuine laugh together.
