

Name _____

Layered Stories

Short Answer Question Answer Key

1. Lockwood provides a limited outsider's perspective, often misunderstanding events and characters.
2. Nelly's firsthand experience and emotional insights make her account more detailed.
3. The layered narration creates tension by making readers question the narrators' reliability.
4. Lockwood misinterprets Heathcliff and Catherine due to his biases and lack of understanding.
5. The structure reveals how revenge affects multiple characters over time from different angles.
