Learning Dilemma

Open Ended Questions

1. In your opinion, do you think short-form videos like InstaFails can be effective tools for learning complex topics? Why or why not?
2. How do you think the education system should adapt to the changing habits and preferences of students, such as shorter attention spans and a preference for bite-sized content?
3. What are the potential advantages and disadvantages of using platforms like InstaWit for educational purposes?
4. Reflect on a real-life situation where you or someone you know learned something valuable through a short-form video or social media platform. How did it impact your or their learning experience?
