

Name _____

Librarians: Navigators of Knowledge

Short Answer

1. Explain the significance of reader's advisory services provided by librarians.
2. Describe an event or program that a librarian might organize for the community.
3. How do librarians contribute to the promotion of lifelong learning within their communities?
4. Provide an example of a situation where a librarian might assist a student in finding credible sources for a research project.
5. How can libraries, guided by librarians, celebrate diversity and multiculturalism in their collections and programs?
