

Name _____

The Library Portal

Open-Ended Response Questions

1. Explore the theme of imagination and adventure in the story. How did Ella and Max's curiosity lead them to discover the magical portal, and what role did their imaginations play in their adventures?
2. Imagine you are Ella or Max. Describe the moment when you first touched the magical frame and were transported into the enchanted forest. What were your feelings and thoughts at that moment?
3. Discuss the idea of books coming to life in the story. How did the library's secret portal blur the line between fiction and reality for the children of the town, and what lessons can be learned from their experiences?
4. If you were a resident of the town, how would you react to the discovery of the library's secret portal? How might it change your perception of books and reading, and how could it enrich the lives of the community?
